Dedicated To Dogs and Their Families Since 2000

Hello!

Thank you for your interest in my classes. Before submitting your registration form please review the following information:

- Manners classes are designed for dogs who are friendly and social to dogs and to people. If your dog has displayed aggressive behavior, barks, lunges, growls at, or is reactive to people or dogs, please contact me about setting up a private behavior consultation. See my website for details.
- If your dog is shy or fearful of people or other dogs, please contact me first. We may have you bring your dog in to visit the classroom first to see how he / she reacts before enrolling in a class. A private training appointment may be a better place to start. See my website for details.
- Your dog must have been in your home for 2 weeks before starting class.
- If your dog has a medical condition that is contagious to people or other dogs, you will need clearance from your veterinarian before enrolling in class. This includes skin conditions, intestinal parasites, kennel cough etc.
- Returning your form with payment will secure your spot in class. I will send a confirmation to you via mail. You may pay by cash, check or credit card. Classes are filled in the order that forms with payment are received.
- Once class has started there are no refunds of the class fee. You may be eligible for a credit towards private training, depending on the situation.
- If your dog is ill, you may still come, get the lessons and work at home.
- Your signature on the registration form includes all of the above.

Thank you and I look forward to working with you and your dog!
